POLICE

Captain Jeffrey VanGilder graduated from the Professional Executive Leadership School at the Management Institute, E. Clairborn Robins School of Business at the University of Richmond on March 22, 2001. The school was funded in part through a scholarship awarded through the Virginia Police Chief's Foundation. The school was an intensive, three-week liberal arts study of leadership offered to criminal justice and corporate executives.

UTILITIES**Water Supply Division****Capital Projects Update****Water Treatment Plant Upgrade to 10 MGD**

The contractor is performing the following operations:

- Conducting mechanical and electrical operations
- Performing painting and special coating applications
- Temporary laboratory relocation is complete.
- Control system equipment calibrations are in progress.

WTP Expansion Project Status

Dollar value complete 91% Time Elapsed 117%

The contractor continues to be approximately 120 days behind schedule.

Project substantial completion date was December 28, 2000. No time extension has been agreed upon, therefore, damages are being withheld at a rate of \$1,000.00 per day.

Hospital Tank Pumping Station

Substantial completion was awarded on March 7, 2001. The station has continued to operate without incident. The police antennae was recently relocated, allowing the contractor to complete punch list work for final completion.

Water Pollution Control Division**Capital Projects****Biological Nutrient Removal Upgrade (BNR)**

- The Recycle Equalization and GTO Systems have been placed in service and Substantial Completion for these systems has been granted to the Contractor.

Biosolids Management Upgrade (BMU)

- Construction efforts are primarily focused on completion of the masonry, roofing, electrical and structural trades, although some mechanical equipment installation has begun.

Utility Lines Division**Training**

Rick Schooley & Hank Woodward attended trenchless tech. seminar in Charlottesville. John Creamer, Max Mellott, Doug Anderson & Mike Nolan attended VA Rural Water Conference at Roanoke.
